### Item Description

This lamp has a vaulted or domed lens that projects a moderately wide beam that can serve to accent or spotlight large areas of a room - An energy efficient alternative to conventional halogens!

We offer a variety of MR16 lamp styles. Please see our other listings to find the light that best suits your needs.

**Because these lights have a very low wattage requirement they might not satisfy the minimum power load of some electronically controlled power supplies. All magnetic based power supplies should be fully compatible.**
